3. Conditions of use of the Site and the Services offered

Use of the Site implies full acceptance of the general conditions of use described below. These conditions of use may be modified or supplemented at any time, and Users of the Site are therefore invited to consult them regularly.

In the same way, the legal notices may be modified at any time: they are nevertheless binding on the Internet user, who is invited to refer to them as often as possible in order to take note of them.

This Site is normally accessible to Users at all times. However, the Owner may decide to interrupt the Site for technical maintenance purposes. The Owner will then endeavour to inform Users of the dates and times of the intervention beforehand.

The Site is updated regularly by the Publication Manager.

4. Description of the Services provided

The purpose of the Site is to provide information about all of the company's activities.

The Publication Manager endeavours to provide information on the Site that is as accurate as possible. However, the Publication Manager cannot be held responsible for omissions, inaccuracies and shortcomings in the updating of the information, whether they are its own fault or that of third-party partners who provide the information.

All information on the Site is given for information purposes only and is subject to change. Moreover, the information on the Site is not exhaustive. It is given subject to modifications having been made since it was put on line.

5. Contractual limitations on technical data

The Site uses JavaScript technology.

The Owner cannot be held responsible for any material damage related to the use of the Site. Furthermore, the User of the Site undertakes to access the Site using recent, virus-free equipment and with the latest generation browser.

6. Intellectual property and counterfeiting

The Publication Manager is the owner of the intellectual property rights or holds the rights of use on all the elements accessible on the Site, in particular the texts, images, graphics, logos, icons, sounds and software.

Any reproduction, representation, modification, publication, adaptation of all or part of the elements of the Site, whatever the means or the process used, is prohibited, except with the prior written authorisation of the Publication Manager.

Any unauthorised use of the Site or of any of the elements it contains will be considered as constituting an infringement and will be prosecuted in accordance with the provisions of articles L.335-2 et seq. of the Intellectual Property Code.

7. Limitations of liability.

The Publication Manager cannot be held responsible for direct and indirect damage caused to the User's equipment when accessing the Site, and resulting either from the use of equipment that does not meet the specifications indicated in Article 4, or from the appearance of a bug or an incompatibility.

The Publication Manager cannot be held responsible for indirect damage (including, without limitation, loss of market or loss of opportunity) resulting from the use of the Site.

Interactive areas (possibility of asking questions in the contact area) are available to users. The Publication Manager reserves the right to delete, without prior notice, any content posted in this area that contravenes the legislation applicable in France, in particular the provisions relating to data protection. Where applicable, the Publication Manager also reserves the possibility of calling into question the civil and/or criminal liability of the User, particularly in the event of messages of a racist, insulting, defamatory or pornographic nature, regardless of the medium used (text, photographs, etc.).
